New Court to Hear Marital Difficulties

Marital difficulties of couples with children hereafter may have their first hearing in the Children's Court of Conciliation of Los Angeles county, authorized this week when Governor Culbert Olson signed the bill sponsored by Superior Judge Ben B. Lindsey, internationally known authority on divorce and juvenile problems.

When a divorce or separation is impending in a family where there are children, either husband or wife may file a pre-petition in the new court, and a hearing will be set before a conciliator.

The conciliator, who is to receive \$4200 a year, may be aided by psychiatrists, doctors, pastors and attorneys. Judge Lindsey believes that reconciliations will result in many cases and that many others will be settled by agreement, at a large saving to the taxpayers.

Promise Action to Stop Future Highway Flooding

Following conferences with Secretary H. H. Halladay of the Lomita Chamber of Commerce, immediate steps were to be undertaken to avert future flooding of the business section in the 2000 block on Highway 101 by breaks in the water reservoir at the Chandler Palms Verdes Sand and Gravel company midway up Narbonne canyon.

The water reservoir, formerly banked behind earth walls, will be sunk below the level of surrounding land to prevent escape of water, according to L. H. Chandler, gravel company head. Officers of the concern had previously attributed the floods to a gopher hole in the reservoir, which holds several hundred gallons of water.

Short-Circuit Cause of Derrick Blaze

A short-circuit is believed to have caused the fire which occurred in the engine house of the Delaney Petroleum corporation's derrick at Sepulveda and Hawthorne boulevard Saturday night. Only a small amount of damage was reported by the Walteria fire unit which extinguished the blaze.
